Estedad Overview

The National Ambassadors Program "Estedad" is an enrichment and capacity building initiative launched by the Ministry of Education in June 2020 which aims to provide high school students with essential skills to enable them to prosper in various fields in which research, soft skills, entrepreneurial, leadership, and diplomatic skills are highly needed. In addition, it provides students with the knowledge and tools required to apply to universities. Each summer, a number of National Ambassadors Programs will be implemented. These programs are the first of their kind in the UAE.

Duration: 2, 3 or 4 weeks in summer 2020 (varies from one track to another)

Date & Timing: mid July – end August 2020 (the date, duration, and timing vary from one track to another)

ENTREPRENEURSHIP

The goal of the Entrepreneurship track is to help nurture students in the business field and embed them with the traits and skills of an entrepreneur, empowering them to think out of the box, come-up with innovative solutions and have a key role in their country's economy. Through practicing entrepreneurship activities, students will gain important entrepreneurial skills such as critical thinking, problem-solving, communication, risk-taking and collaboration.

استعداد
الدبلوماسية
DIPLOMACY

The goal of the diplomacy track is to enhance and advance the diplomacy and leadership knowledge and skills of students through e-learning. This program is a virtual academic simulation of the United Nations (UN) & its organs that gives participants an experiential insight into how the UN really functions and develops a curiosity in the delegates to understand the challenges in our global communities and make them passionate about solving them. This UNMUN summer program is a full-pledged program conducted 100% with internal human resources (trained teachers) and using existing IT platforms. The program is designed by MOE internal human resources.
